Call for Award Nominations

Each year, an Awards Committee reviews nominations for two special awards given by the club.

The **Award of Appreciation** can go to any member who, during the year prior to the Annual Meeting, has rendered such exceptional service to the operation of Carolina Mountain Club that its goals were significantly advanced.

The **Award of Distinction** can go to a member who, during his/her membership, has made consistent and cumulative extraordinary contributions to the operation of the Club and to the achievement of its goals

If you know of a club member that you would like to nominate, please send their name, which of the awards you feel they should receive, and a brief reason why you feel they qualify for the award to Randy Fluharty at rfluharty54@gmail.com.

Secondary Trails Needs Volunteers

by Les Love

Our Secondary Trails Program is going really well, but we could still use more of you stepping up to help. The Section Rovers Crew, led by Jan Onan and Rich Evans meets once a week either on Tuesdays or Saturdays, giving section adopters the chance to

meet each other, learn about trail maintenance, and get some work done on alternating sections. Look over the attached spreadsheet. If a trail has an observer, it still needs a tool carrying maintainer and ideally we would like to have two maintainers per section to share the fun and glory. A lot of people that have only done hiking with CMC are adopting these sections and finding out that giving back to the trails in this way is enjoyable and rewarding. You can email me with questions. lesrlove55@gmail.com
